Youth Archery Instructional Programs

- Parks & Recs Youth Indoor League/Instructional program—is done for the summer.
- Park & Recs Youth Outdoor League/Instructional program for 7 weeks will begin on June 5th at 6:30 PM at Monic Park. Vince Smith will be doing it again. Mr. Smith can use club members help to run this program on any Thursday nights that you may have available so please put this on your calendar of events.
- On Wednesday July 16th from 9:00 AM to 3:00 PM the RHA Club will be doing an Archery awareness/shooting experience for the Park & Recs summer neighborhood parks day care program. All day long they will bus different groups of children to Monic Park for the outdoor archery experience. If any club member can help this day we could sure use the help even if you can only work a portion of the day. Chris Johannesen, Dave Strong, and Donna Anderson are planning to be there the whole day so any additional help will be "icing on the cake!"

Adult Leagues Reports:

- Outdoor League: **Club members may shoot Sunday noon through Thursday night the Outdoor range at Camp Eagle.** Don't forget: All day Friday, all day Saturday, and Sunday mornings until after 12:00 noon you can't shoot at Camp Eagle.
- Frank reported that it has been a challenge to keep up with the mowing and weed eating due to the rains and the weather conditions that make everything grow so fast out at the camp. It is a little slippery in spots he reports. He still would like to see more shooters turn out so come on out for some R & R and great fun and fellowship if you can.

Old Business:

- The new target bales are in and we will set a time to get Monnich the Park Range set up again by June 5th in time for the summer youth program to begin. Dave Strong reported that he talked to Dave M. at the Parks & Recs to make sure that he knew that we are planning to get it fixed back up and in good shape again. Dave M. stated that he would get more sand in the pit and also he could make rock available if we wanted to rock the shooting line. Lee and Ed Altmanshofer are working on getting some special brackets made to lock the new target butts in place. Dave S. also stated that signs need to be made stating,"No Broad heads shot in these target bales". Dave K. will get a check to Lee at the League so he can get the target brackets that All Metals is making for us and then we will set a time to get it set up at Monnich. .

New Business:

- Monnich Park public range clean-up & bale replacement night—Chris will call a work party real soon as soon as Ed and Lee complete the task of getting the brackets ready to lock them in place at the outdoor range.
- President Chris and the club expressed a great big "thanks" to Gene Metschke for fixing the trailer that we haul the 3D targets in. Also, Chris mentioned that Gene did a fine job as our new 3D Tournament Director at the last one.
- **June 8th is the next RHA 3D Tournament. **Please consider helping this weekend!****
 - ✓ The RHA Club needs lot's of help with our 3D Tournaments. Again, these tournaments are our major fun raising projects. Good income from these means we can keep the dues for our club reasonable and if all of us works a little, then none of us has to work a lot! Please help even if it is just for an hour or two.
 - ✓ On Saturday June 7th we will meet at the storage unit (1st & Union by the RR tracks) at 1:00 PM to load targets and to take them to Camp Calvin Crest Crest. We now can set up on Saturday so we do not need to get up so early on Sunday mornings!
 - ✓ On Sunday June 8th we will be at Camp Calvin Crest by 7:30 AM to set up and check the range. Registration will begin then for shooters. D & D (Kerschinske & Strong) will try to do registration for President Chris that morning.
 - ✓ Club members need to be at the Camp Calvin Crest by 2:00 PM on that Sunday June 8th to help tear down the targets and to haul them back to the storage unit.

- 2008 Bow Hunter Education class—Dave Strong reported the dates set up with the Park & Recs for the 2008 BHE class that RHA sponsors with the Parks & Recs every year: (Attention Instructors—please get these dates on your calendar so we are good to go.....
