

Nocks and Tips

Robinhood Archery Club Newsletter

Dec 4, 2011

Happy Thanksgiving to you all;

It seems like winter has arrived, as I look out the window at 6 inches of snow on my backyard picnic table it reminds me that Christmas will be here soon. This time of year is always busy with family get togethers for Thanksgiving and at Christmas. It is a time to be thankful for all we have. I hope everyone has a happy and joyful Christmas season.

Bow hunting is still with us for another month and a half and we should all have been out some by now, even those people that don't like to go out early when it's hot and buggy. I hear of many nice deer being taken by archers and rifle hunters alike. I am still hitting it pretty hard as many of you are too.

Some things going on with the club in the next couple months are;

1) Club election of officers. Candidates for office are unchanged from last year with the exception of Treasurer and Secretary who were selected mid term last summer after our problems with the last Treasurer.

President	Dave Kerschinske
Vice President	Kevin Hernes
Treasurer	Chris Johannessen
Secretary	Donna Anderson
Board Member at Large	Jerry Bennett
Board Member at Large	Melinda Parr
Board Member at Large	Garland Stewart

If you have a desire to hold any of these positions you can be added as a write in candidate. Contact me if you would like to be added to the list. Elections will be held at our December meeting and terms begin Jan 1, 2012.

2) Indoor Tournament Dec 17-18 7 PM 17th and 10 Am 18th shoot either time or both if you'd like. Only one score per class though. Donna has been running these tournaments and could always use a little help, setting out tables in the hall, running the clock, line judge, etc. If to much help shows you can shoot also. or allow Donna to shoot. Think about, it's easy work and you may have fun and meet some of the best archers in the area.

3) Club Banquet is set for January 14th at 6 PM. This is the time when we honor our many volunteers and gather for some good food and fellowship. As has been the tradition the past few years, we will be having a soup feed with every member family bringing a side dish to share. We plan to have Bean soup, Chili and another type of soup as yet unknown for us to sample. We have been giving out gift certificates and prizes to members and family just to say thanks for being an active member of your club.

Thanks to every member for your support and all the help you've been giving to keep our club a fun, family oriented organization during this past, sometimes very stressful, year.

Shoot straight, be safe, have fun.

Dave Kerschinske
