

Noc's and Tips

Robinhood Archery Club Newsletter

November 28, 2010

Hello Robinhood club members, I hope everyone has enjoyed a happy Thanksgiving. We all have so much to be thankful for. Living here in the USA we have health, family, jobs, food and freedom. I was able to spend Thanksgiving with my side of the family Thursday and we all had a great day, there was more than enough to eat, friendly conversations, a little football and we had a very good day. I hope all of you had the same.

The early part of the archery season is over and so is the Rifle season, we now all can look forward to seeing how many deer are left for us, from what I've been hearing the rifle hunters had a very good season, Decent weather and all the crops being out really helped them out this year compared to last year. I just want to remind everyone to keep on hunting safely and remember that muzzle loader season starts Dec. 1 so be aware that we will again be sharing the woods with other deer hunters. I know it's not required that we wear hunter orange but it might be a good idea to wear an orange vest when going to and from the stands and then stow it away once on stand. I try to do that and have been told by fellow hunters that they appreciate that I'm visible when walking back to the truck at dusk.

I have been going to meetings planning out our shoot schedule for next year, Target schedule one week, 3d the next and the schedule is all set and will be published soon. We will again be having a 2 day 3d over John C Fremont Days and there will not be another Rinehart R100 that we will participate in. The 4 clubs involved with that project last year decided not to pursue that again but we are all in favor of trying to build the Nebraska Challenge N100 that we started last Sept at Calvin Crest, although it looks like we will do this at Branched Oak Lake in the area we held the R100 last summer and earlier in the summer. More about this as it develops.

Our Annual Banquet has been scheduled for Jan 15, 2010.6:00-6:30 start. That is a Saturday night event being held at the indoor range. It is going to be another soup feed like last year and everyone is invited. Bring a side dish and your plate and silverware, the club will provide soft drinks and soup bowls. We will have some door prizes to give away and if you come you will be in the drawing. You must be present to win a prize.

Election of officers for 2011 will be held at the December meeting, we elect a President, Vice President, Secretary and Treasurer. We also need people on our Board of Directors, indoor range manager, Outdoor Range Manager, Target Tournament director, and 3D Tournament Director, all these positions have someone in them now but we are always looking for ways that can get club members more involved. If you are interested in any of these positions let me know and you can get on the ballot.

Hunt smart, hunt safe and if you get a trophy you'd like to show off, send me a picture of it and I'll make sure it gets posted at the range and on our web site www.robinhoodarchery.net
Dave Kerschinske, President
