Robinhood Archery Club

As you can see at the bottom of the page, there is lots of planning going on for future archery events. Club members have attended meetings with area clubs to get next year's schedule set up – a master schedule of everyone's 2009 tournaments will be included in next month's newsletter but I wanted to give you the most important dates first!

Our November 8-9th tournament had a pretty good turnout with 33 shooters. Hopefully the December 6-7th one will be even better. It would be fun to have club members fill the line! Many look at archery as an individual sport, but there are so many nice people that participate. It's really fun to shoot league and tournaments and there are all levels of shooters, so don't let that stop you.

The Indoor Range has been seeing lots of use with adult and kids leagues and many individuals tuning their equipment. *(Please don't forget to put things away, turn down the heat, and lock the doors when you leave.)* The lock to the street-level door was changed at the October meeting, so if you haven't renewed your membership you won't be able to get in now. Call Ed Altmanshofer at 727-1329 to pay your dues and get a new key.

Be sure to check out the website, www.robinhoodarchery.net. There is a new page with photographs of animals harvested this year by archery club members, and there are more to upload on there yet. Also, if you got this newsletter in the regular mail, send me an active email address to help the club save money by sending information electronically.

The next club meeting is Tuesday, November 25th, at 7pm at the indoor range. We will be making a decision on construction of a shed at Camp Calvin Crest and it's important that everyone's opinion be counted especially considering the financing of this project. Also, please consider becoming an officer or committee chairman for next year. Elections and appointments will be made at the December 30th meeting and new leadership is needed! Thanks!!

Chris Johannesen, President
