

Noc's and Tips

Robinhood Archery Club News

Sept 12, 2011

Just a couple things to talk about this month.

First up is Deer season opens this week and I am really looking forward to getting in some hunting again. For the past month I've been getting stands hung and clearing out some shooting lanes and clearing some paths into the woods. From the tracks I'm seeing on the trails I cut the deer are using my trails now also. I have a Deer Camera out and it had a lot of pictures on it when I checked it last week.. These little details have shown me there are deer in my area .Last year I don't think the deer were as plentiful . Hopefully good things are going to happen in my neck of the woods. .Good luck to everyone and hunt safe, wear a safety harness when climbing in trees. I look forward to seeing and hearing about your successes and close calls this season.

Not much activity going on at the club level, 3D's are over for the year and leagues will start up in October. JOAD will start up the last Friday in Sept and I think Chris J. Sent out a flyer about that and the Thursday Kids league. It looks like Vince Smith will once again be teaching the Thursday night kids class. Welcome back Vince! !! :)

Over the past months I discovered some irregularities in the club's finances and after calling a meeting of our Board of Directors it was decided to remove our treasurer from office. The Fremont Police are investigating our findings. No charges have been filed as of today but we expect that to happen any day now. When the time is right more info will be given.

With the treasurer job vacant we needed to find a new Treasurer, Chris Johannessen our past president has agreed to take over as the clubs new treasurer. This opened up some positions on our Board of Directors. Here is a list of our current officers and Board members

David Kerschinske	President
Kevin Hernes	Vice President
Chris Johannessen	Treasurer
Donna Anderson	Secretary
Jerry Bennett	Board Member
Malinda Parr	Board Member
Garland Stewart	Board Member

Membership renewal is due at the October meeting. You will be getting email notification of this very soon

That is all for this month

Dave K
