Robinhood Archery Club Newsletter

June 28,2009

Summer is here and I'm sure you all noticed it with the temps up around 100 for a couple days last week. When I wrote the last newsletter it was still spring turkey season and I was thinking of turkey hunting, I made it out a few times and heard Toms gobbling every time I went out but couldn't get them to come over to my side of the river, so another year goes by without a turkey in the freezer for me. Better luck next time I guess. Next up will be deer season and I've seen a few bucks with their antlers starting to grow. I get to thinking, how big will they be when Sept 15th rolls around?

Our first session of outdoor league is just about over (one more week) and then we'll start up another 3d outdoor league right after the 4th of July on Wednesday evenings 6 PM at Camp Eagle. A good way to stay sharp for deer season so come on out and enjoy the course.

Kids league at Monnich Park is going well thanks to Vince Smith and Dave Strong. Also thanks guys for putting the new target butts in the holders. I am sure they will get plenty of use over the next few months.

John C Fremont Days are coming up in July and our club always has a 2-day 3d tournament in conjunction with JCF days and your help is very much needed and appreciated. If someone calls and asks you to help out with set up, run registration, bake cookies, help with concessions, novelty shoots or whatever please volunteer as it takes a lot of help to successfully run this event, it is a major source of revenue for us and it keeps the annual dues so low.

Our next monthly club meeting is Tuesday, June 30 and as in the past we will hold our meeting at the Moeller Field community building starting at 7 PM. That is all from me until next month and I hope to see you all soon. Dave Kerschinske, President
